*Year 9*

10<sup>th</sup> November 2025

Dear Parent/Guardian,

Euroa Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Your contributions have assisted us to obtain the resources and offer the programs required to provide varied and high-quality educational opportunities to your student/s.

We look forward to your continued support of Euroa Secondary College in 2026.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Anna Eddy  
Principal

Tim Bickerton  
College Council President

<b>Year Level</b>		<b>Sem 1</b>	<b>Sem. 2</b>	<b>Yearly</b>

Music Lesson only	(no ensemble)	\$500.00	\$500.00	\$1000.00
Instrument Hire		\$80.00	\$80.00	\$160.00

- If three children in the same family are involved in the music program (including those at primary school and paying fees through ESC), the child with the lowest tuition fee will be exempt from tuition fees. Instrument hire if applicable will still need to be paid.
- Students learning two instruments are charged half the tuition fees for the instrument that is of the lesser amount. This does not include instrument hire.
- Regional funding for music staffing is dependent on students participating in an ensemble program. We offer an option for students to take music lessons without participation in ensembles. This fee reflects tuition costs without the subsidy that ensemble participation attracts.

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
