# EUROA SECONDARY COLLEGE

*"A united community where everybody has responsibility in preparing youth for their future."*
***CHALLENGE EMPOWERMENT RESILIENCE RESPECT***

6th November 2026

Dear parents,

This letter provides information about voluntary contributions you can make to support Euroa Secondary College for 2027 and other payments you can choose to make.
Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Euroa Secondary College offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact: Business Manager ph: 0357952512 email: euroa.sc@education.vic.gov.au

If you need an interpreter, please contact 03 9605 3053 and give our school's phone number 03 57952512. An interpreter can help you speak with us. This service is free. For more information, please see How to use an interpreter to contact your school.

For more information on the Department of Education's Parent Contributions policy please see the information attached. You can read the full policy at Parent Contributions: Policy | education.vic.gov.au.

Yours sincerely

Euroa Secondary College has an arrangement with the following supplier for the materials that you can buy: Campion Education

If you do not buy these items, your child will still be provided with what they need, however they may not be provided with these items to own, or keep, on an individual basis. If you wish to buy items through the supplier, please see the information attached.

If you would like to buy items to own that are not from this supplier, you can contact the office or see the attached Booklist for information about editions of textbooks and/or calculator specifications that will be used.

Digital devices:

Euroa Secondary College uses digital devices to support learning. You are able to buy a device for your child to own. If you do not buy a device, your child will be provided with access as they need for their learning, but it may not be one-to-one, to take home, or to keep.

You can find information about the digital devices our school recommends, including minimum device specifications on the attached sheet.

You can buy the digital device from LWT or you can also buy a device meeting these specifications from any other retailer.

**Financial help for families**

Euroa Secondary College understands families can experience financial difficulty. Help is available, including:

- **Camps, Sports and Excursions Fund** – this program provides funding for eligible students, including those in out of home care, and holders of eligible financially means-tested cards (such as health care cards), to attend activities like camps, sporting activities, excursions and incursions that are offered on a user-pays basis.
- **Affordable School Uniforms** - delivered by State Schools Relief, this program helps cover costs such as school uniforms, shoes, and other essential school items where families are experiencing financial hardship or short-term crisis.
- Payment plans for Extra-Curricular Items and Activities
- Secondhand uniform stock available – Limited supply
- Day user netbook program when Netbooks are being repaired
- Local community support available on occasions
- Applications for funding through various support agencies for example: Family Care, Kids Undercover, Berry Street & Vincent Family Care.

Applications for support from the Camps, Sports and Excursions Fund and State Schools Relief are submitted by the school - please contact us to discuss these and other financial help.

For a confidential discussion about how to access financial help, please contact: The

Business Manager
Ph: 03 57952512 | Email: euroa.sc@education.vic.gov.au

**Payment methods**

If you want to make voluntary contributions throughout the year, you can:

- decide when to make each contribution.
- choose the amount of each contribution.

If you would like to pay for extra-curricular items and activities through instalments, please contact the Business Manager for a payment plan.

**Refunds**

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. ## Information for families

### FREE INSTRUCTION

Schools give students free instruction in the curriculum. This includes:

- Free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.
- The Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major, and the Victorian Pathways Certificate.
- Free access to all subjects, including elective subjects.
- Free access to select-entry and accelerated programs.

### FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

| Voluntary contributions | Tax deductible contributions |
|---|---|
| Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools | Used towards building and/or library fund (for those schools who have such funds) |

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools must provide students with free access to what they need for curriculum delivery.

### FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link the department's Parent Contributions policy.

# EUROA SECONDARY COLLEGE – MUSIC FEES 2027

## PLEASE NOTE:

**Music is an optional extra-curricular activity that is provided to students on a user pays basis.**

| Year Level | | Sem 1 | Sem. 2 | Yearly |
|---|---|---|---|---|
| Year 7 | Instrument Lessons & Concert Band | $50.00 | $75.00 | $125.00 |
| Year 7 | Instrument or Vocal Lessons and Rock Band/Choir | $75.00 | $150.00 | $225.00 |
| Year 8 - 12 | Instrument Lessons & Concert Band | $75.00 | $75.00 | $150.00 |
| Year 8 - 12 | Instrument or Vocal Lessons & Rock Band/Choir | $150.00 | $150.00 | $300.00 |
| Concert Band Only | (Year 11 and 12 students) | $40.00 | $40.00 | $80.00 |
| Rock Band Only | (Year 11 and 12 students) | $75.00 | $75.00 | $150.00 |
| Music Lesson only | (no ensemble) | $500.00 | $500.00 | $1000.00 |
| Instrument Hire | | $80.00 | $80.00 | $160.00 |

- If three children in the same family are involved in the music program (including those at primary school and paying fees through ESC), the child with the lowest tuition fee will be exempt from tuition fees. Instrument hire if applicable will still need to be paid.
- Students learning two instruments are charged half the tuition fees for the instrument that is of the lesser amount. This does not include instrument hire.
- Regional funding for music staffing is dependent on students participating in an ensemble program. We offer an option for students to take music lessons without participation in ensembles. This fee reflects tuition costs without the subsidy that ensemble participation attracts.

Technology is part of our daily lives and here at Euroa we believe in providing students with the skills required to meet the demands of the real world. This tool enables them to develop their skills in ICT, facilitates their learning and engages them in additional learning both in the classroom and at home.

**Program outline:**

Families have the option to purchase a laptop from our Learning with Technologies portal (LWT) or acquire a device from a third-party vendor (JB Hi-Fi, Harvey Norman etc.) as part of a BYOD program. Below is the outline of the services offered for both programs.

See you in 2027 ☺

**Warranty**

The 3 years on-site warranty provided with the laptop is another great reason to purchase your laptop from LWT. Were we are situated isn't great regarding ICT support, any warranty issues with the laptop get repaired here at Euroa SC. The turnaround time is generally 3-5 business days.

**Payment Options**

LWT's portal has multiple payment options as well to make the purchasing of these devices a bit easier. Layby, Latitude & ZipMoney are offered.

**Does my child need a laptop?**

All students at Euroa Secondary College are expected to have their own laptop at school every day. The laptop forms an integral part of learning and every student is expected to have a device to develop skills and complete work. All students will be using Compass, an online learning management platform that students will be using on a regular basis to access their timetable, gather class resources and submit work. Other software used daily is applications like Microsoft Office, Adobe Creative Cloud and internet browsing for research.

**What happens in the event of damage, theft, or loss?**

1. **LWT Notebook Program**

By default, we have asked LWT to put 3 years accidental damage insurance on all the laptop models offered. The insurance gives access to 3 repair claims over 3 years, the cost only adding about $120 to the total cost of the device. This is great value for money, the college strongly recommends purchasing the accidental damage. For example, the average screen repair in the current market is about $200 and can range all the way up to $1000 for more expensive devices.

**Theft or loss is not covered by LWT's insurance.**

In the unlikely event that your child's device is lost or stolen, Euroa Secondary College's insurance does not provide cover for laptops. It is recommended that families include the laptop in their content's insurance.

2. **BYOD Program**

The BYOD program is not insured by the school. It is recommended that families include the notebook in their contents insurance.

**What happens if my child's laptop has stopped working or has been sent off to be repaired?**

If your child has a device that has been sent off for repair, they will be able to borrow a school laptop to prevent your child from being hindered in their learning. The school laptop offered isn't a 24/7 device to be taken home and can only be used during school hours.

**What is the software/hardware requirements for the BYOD program?**
