

EUROA SECONDARY COLLEGE

STUDENT DRIVERS POLICY

PURPOSE

This policy sets out our school's approach to students driving to and from school and school events. Our school recognises the need for the whole community to make efforts to minimise the risks associated with young drivers and to encourage responsible driving behaviours for students.

SCOPE

This policy applies to all students at Euroa Secondary College who have a valid driver's licence.

POLICY

Our school recognises that some students will turn 18 and obtain a driver's licence while they are still attending school. Some of these students will want to drive to and from school. Euroa Secondary College expects that all student drivers will adhere to the conditions of their licence and the road rules and will drive in a safe and responsible manner. If the school becomes aware that a student driver has driven in an unsafe or irresponsible manner, police will be notified.

Students are not permitted to drive themselves to and from camps, excursions or other school activities unless previously arranged and agreed in consultation with the school Principal, and only in exceptional circumstances or in circumstances where all students are required to make their own way to the event. Students are not permitted to drive any other student to school unless the passengers are siblings of the driver.

Students are not permitted to use their car during the school day unless it is for an approved reason such as an unavoidable medical appointment. A certificate of attendance at the appointment is required.

If students act in breach of this policy, parents/carers will be notified and appropriate student sanctions will apply.

Euroa Secondary College takes no responsibility for damage to vehicles parked in the student car park and parking is at the vehicle owner's own risk.

[Parking]

Students may not park in the staff car park.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website (or insert other online parent/carer/student communication method)
