DEAR PARENTS, GUARDIANS, CARERS & COMMUNITY MEMBERS,

The nomination process for Parent Representatives on School Council has been completed. As we have 5 parents nominated for 5 positions we do not need to hold an election.

Two other parents nominated last year, so have another year to serve. Our seconded community members also continue to be members of the School Council. We have one nomination for a new staff representative.

Our School Council members:

Parents: Trevor Cubbin, Juana McKeachie, Susan Lazenby, Frances Lawrence, Brian Russell, Kim Hamill and Jonno Pittock

Students: Jasmine Raleigh, Peter Bateman

Staff: Matthew Koutroubas, Judy Nicholls, Brody Hannan, Leanne Winfield

Community Members: Andrew Townsend, Ruth Nolan, Helen Waterworth.

Thank you to parent Nick Townsend who is not returning for his participation on School Council over the past two years and also thank you to those parent representatives who are continuing.

The AGM will be held on Tuesday 15 March, followed by an ordinary School Council meeting.

The Finance Committee of School Council met today. One of the areas discussed was the fees charged for hire of the stadium to community groups. It was decided that the fees will remain at the current level. This has been the case for the last five years. We do appreciate the shared use and value the relationship with the community groups who use our facilities.

Yesterday we had a visit from our Network Primary School Principals: Rob French, Ross Davis, Travis Stefanos, Kim McCabe and Learning Specialist Kate Phoenix and Senior Education Improvement Leader Trent McCrae. The purpose of the visit was to share how we are using our Instructional Model in our classrooms. They visited some of our classes, catching up with some of their prior students. After the classroom visits we discussed some of our programs and how we can recreate the close connections now that we are back from Remote Learning.

Our students are looking forward to the Round Robin this Friday.

Kind regards
Leanne Winfield

Sport & Recreation Class

Last Wednesday our first year Sport and Recreation class went on excursion to Club VazTrain to further their knowledge in workplace health and safety in different environments. Coach Joey was kind enough to answer questions, give us a tour and then set up a circuit for us to complete! The students were then invited to participate in a challenge running for this month at VazTrain which most had a go at! We want to thank Joey very much for his time and the opportunity to use local facilities.

And a big thank you to Rotary Club of Euroa for our mode of transport! It was way more fun on the bikes than walking!!

Hands on Learning

The group made pizza's, including the dough, for lunch. Blake McNally, Jett Badke, Tyler Delahey and Angus Rowe were the students involved.

Absences

It would be appreciated if parents could phone the College, email or use COMPASS. if students will not be attending for any reason.

The College needs to be notified if a student has Covid.

If students are marked as absent at Home Group and we have not been notified, then a follow up text message will be sent automatically.

School Bus

As per direction from PTV (Public Transport Victoria) the school bus service is not there to provide transport to get to after-school jobs, social or sports training etc. Any bus traveller who needs to make a “one off” request to change buses needs to give Mr Koutroubas a note signed by a parent/guardian on the morning of the day of such a request. Be mindful that the answer may have to be “no”.

The Violet Town Bus is full, there can be no “one off” requests for this bus.

Parents driving their students to school are reminded that students should be dropped off and picked up at the Campbell Street entrance to the school, near the front gates.

In the event of a Code Red Fire Ban Days and if there is a fire in the area, the following procedures will be implemented:

Code Red Fire Ban Days:

Euroa Secondary College is **NOT** on the BARR - Bush Fire At Risk Register, but it is on the Grass Fire register and may close, this decision is made by the Department of Education and families will be informed as soon as we know. The areas of Strathbogie, Ruffy, Longwood & Avenel are included on the BARR. The following five bus runs will **NOT** operate on Code Red days: **Strathbogie, Gooram, Ruffy, Longwood and Avenel.**

On Code Red days, advice will be provided by the DET Regional Office. Once the final decision to close is confirmed, this decision will not change – regardless of any changes in the weather forecast. This will help limit confusion and help your family plan for how your children will be cared for when their school, kindergarten or child care center is closed.

Advice will be provided to families directly by the school, via email, COMPASS, and Flexibuzz. Please keep your email & phone numbers up to date and download the Flexibuzz app.

In the case of Fire in the area: School bus transport

Buses will **not** be permitted to leave the College if a bush fire is in the area they travel, (regardless of a fire ban day or not) Staff will also be encouraged to remain onsite. Buses will not operate in the morning or afternoon if there is any bush fire activity threat on the bus route (ie a burning fire).

A school bus route will be closed if it has to pass through an area affected by fire even if the associated school is not affected by fire and remains open.

Information on changes to bus routes or cancellation of services will be provided by the school and via this website. <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx#BusClosures>
