Calendar subject to change

DEAR PARENTS, GUARDIANS, CARERS & COMMUNITY MEMBERS,

Term 2 has become somewhat of a challenge for us with student absences due to illness which has been followed by staff absences. Our staff are doing a wonderful job to ensure that students have work on Compass and also to help with extra coverage of classes. We have also had some additional help from Regional Staff and appreciate this support. Thank you to staff and to families as well for support and for notification of positive cases.

Our Discovery Night was a huge success with great leadership from our Year 7 students who directed activity sessions in each of our learning areas and led our visitors to the next activity space. We had a wonderful turn out of prospective families with some current families attending as well. Thank you to Maddie McCluskey for her work in this area.

This week we are completing NAPLAN catch up sessions as our staff who led these sessions were on leave last week. Students have been experiencing exam conditions for these tests using digital technology which is a change from the old paper tests. It was great to see students typing away on the catch up Writing test today.

Our final day for our Strategic School Review had to be postponed until 2 June. There is a parent forum on the evening of the 1 June at school at 7pm and we still need more parents to participate. If you would like to be involved please contact: Leanne.Winfield@education.vic.gov.au

This term we also do the Student Attitude to School Survey which students will be starting in Week 6, next week. We use the data each year to analyse areas of need and we have recently used the data in our School Review to identify areas of future work. A newsfeed will be sent to families with a letter about the survey. It is voluntary but if you or your child wants to opt out, you do need to contact the school.

Please check the calendar for the next few weeks as we have Experience Day, on 1 June, with only VET and Year 12 students attending, and the Term 2 Professional Practice Day on Friday 10 June with only students doing exams/catch up exams attending.’
Have a great week.

Kind regards
Leanne Winfield

Mt Stirling Bushwalk

Year 11 and 12 Outdoor and Environmental studies students braved a chilly night on Mt Stirling on their bushwalk last week. The weather was great during the day and a terrific sunrise was the reward for an early rise by all who made the effort to climb up to the summit before breakfast.

Students learnt a lot about bushwalking skills but also about the value and management of outdoor environments relevant to their course of study.

Thanks to the group who made a great night laughing and playing games together around the campfire and to Matilda Murrhy who was second staff member on the camp.

Mr Bright

Absences

It would be appreciated if parents could phone the College, email or use COMPASS. If students will not be attending for any reason.

The College needs to be notified if a student has Covid.

If students are marked as absent at Home Group and we have not been notified, then a follow up text message will be sent automatically.

Conveyance allowance.

Students who live 4.8 kilometres from their bus stop or the school (if they are not serviced by a bus and travel by car) may be eligible for conveyance allowance. Forms can be obtained from the Office. Applications for term 1 Conveyance Allowance close 18th March 2022.

School Bus

As per direction from PTV (Public Transport Victoria) the school bus service is not there to provide transport to get to after-school jobs, social or sports training etc. Any bus traveller who needs to make a “one off” request to change buses needs to give Mr Koutroubas a note signed by a parent/guardian on the morning of the day of such a request. Be mindful that the answer may have to be “no”.

The Violet Town Bus is full, there can be no “one off” requests for this bus.

Parents driving their students to school are reminded that students should be dropped off and picked up at the Campbell Street entrance to the school, near the front gates.

BUS FARE INCREASE - To align with Public Transport Victoria's ticketing price increases, a small increase will be applied to the School Bus Program's fare for ineligible travellers. This change represents the first increase in the School Bus Program's fare price since 2016. The new fare is \$125 per term (\$500 per year) which is an increase of \$5 per term (\$20 per year). The fare increase will take effect from the beginning of Term 2, 2022

Euroa CFA Juniors Recruiting now

About us.

The CFA run a Junior development program through over 160 brigades across Victoria and aims to introduce young people 11-17 to CFA by providing them with the opportunity to become good fire safe citizens.

5 key areas.

- Knowledge of cfa history and competition
- Understanding volunteering and community service
- Emergency response skills
- Teamwork and leadership skills
- Familiarization with all hazard types

Junior development program.

The junior development program provides activities to build self-esteem and self-confidence, create learning opportunities to develop knowledge and skills, encourage group dynamics, build capacity to consider risk and make reasoned decisions. These activities include map reading, team building games, fire behaviour and tactics, radio use and loads more!

Junior CFA competition.

The Juniors get the opportunity to compete in competitions from November to late February each year finishing off with a state championships. The competitions bring more than 140 teams from across victoria together. This gives juniors the opportunity to use real life fire equipment, and build on fire fighting and team skills it is also an amazing opportunity to meet and make life long friends.

May 13th, 2022 - Do It For Dolly Day

A day dedicated to bringing the community together, spreading kindness and uniting in taking a stand against bullying and share the Dolly's Dream message to be kind and speak even if your voice shakes.

Today, Euroa Secondary College called upon students to help make Dolly's own dream of a kinder and safer world for Australia's kids and communities a reality.

All students shared an empowering statement on a blue butterfly, which has become part of multiple displays around the school.

Thanks to Ms Fry and her VCAL class for the organising behind this great initiative
