

BEFORE AND AFTER SCHOOL SUPERVISION

Student safety at Euroa Secondary College is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from 8.30am. The school oval is out of bounds until the recess break.

After school: School grounds are supervised until 3.45pm. After this time the only area supervised is the main administration building. This building is open until 4.00pm.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact the office on 03 5795 2512 or euroa.sc@edumail.vic.gov.au if you would like any further information about our student supervision arrangements.

For a copy of our school's Yard Duty and Supervision Policy can be obtained from the school office. This policy includes Euroa Secondary College's student supervision arrangements across the school day, including before and after school.
