PARENT PAYMENT ARRANGEMENTS

Euroa Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our parent payment arrangements for 2021.

Please find the fee schedule for Year 7 to Year 12 Subjects, Music, Instrumental Music Lessons and Choir attached. Please complete the fee schedule forms and return them to the College by the 4th of December 2020.

Euroa Secondary College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Financial Support for Families

Euroa Secondary College understands that some families may experience financial difficulty and offers a range of support options, including:

- Second hand book shop located at the Office
- Limited supply of second hand uniform stock
- Day user netbook program when netbooks are being repaired
- Camps, Sports & Excursion Funding (CSEF) available to eligible parents
- State Schools Relief support available for uniforms/footwear/calculators/textbooks
- Local community support available on occasions.
- Application for funding through various support agencies for example, Family Care, Kids Undercover, Berry Street and Vincent Family Care.

CONSIDERATION OF HARDSHIP

The College understands that families may experience financial difficulties or hardship at times and may be unable to meet full or part payments requested. Families are invited to contact the Business Manager to make payment arrangements or alternatively can contact the Assistant Principal for a confidential discussion and information regarding support options.

Information regarding support options is available from the general office and will be advertised periodically in the College Newsletter and on the website.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact:

Greg Blatchford

Phone: 03 57952512

Email: greg.blatchford@education.vic.gov.au

Matt Koutroubas

Phone: 03 57952512

Email: matthew.koutroubas@education.vic.gov.au

PAYMENT METHODS

Parents will be provided with early notification of annual payment requests (a minimum of 6 weeks prior to the end of the previous school year). Reasonable notice will be given for any other payment requests during the year (e.g. excursions).

Parents will be permitted to make payments in instalments, and be provided with several methods of making payment including, cash, cheque, BPay, EFTPOS, EFT and CentrePay. Parents are able to enter into confidential payment arrangements by contacting the College Business Manager (Greg Blatchford) on 03 5795 2512 or greg.blatchford@education.vic.gov.au

COMMUNICATION WITH FAMILIES

- The major mechanism for communicating information to parents, guardians or students as to the nature of payments requested is via the annual Book List and Charges Summary.
- This list outlines the applicable fees and charges for each Year level and parents, guardians or students indicate which item they are electing to pay by placing a tick in the appropriate box on the book list.
- Voluntary Financial Contributions are not charged unless an item is ticked.
- Essential Education Items and Optional Extra's will not be provided unless the required payments have been made or an arrangement for payment entered into with the college.
- Throughout the year, additional communications are provided about planned activities, in particular camps and excursions, and the costs associated with these. Payment is required in order for students to participate in these types of activities.
- Statements are sent out at least twice per term but these statements only include details of those amounts parents, guardians or students have elected to pay.

Refunds

Please refer to the attached Euroa Secondary College Refund Policy.

Students Undertaking VET Studies

Families need to be aware there is a materials fee associated with the majority of subjects studied as part of VET. External service providers are not allowed to charge these materials fees directly to students so they charge the school and we have to pay them and then collect the fees from individual students.

As a result enrolment in VET subjects is conditional upon payment of the materials fee and will be withdrawn if not paid, or a suitable repayment plan put in place, prior to the required date.

Families will be advised of the required date and provided with sufficient notice to make the necessary arrangements.

For further information on the Department's Parent Payment Policy, please see a one-page overview attached.

Yours sincerely,

Leanne Winfield
