1. Vision

Euroa Secondary College aspires to be a united community where everybody has responsibility in preparing youth for their future.

2. Mission

Euroa Secondary College's mission is to ensure that every student reaches their learning potential by providing students with a holistic education. We ensure that their academic, social and emotional development is catered for. At Euroa Secondary College we pride ourselves on knowing every individual student in our community, thus ensuring their learning needs are met.

3. OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

4. Values

Euroa Secondary College's values are Challenge, Empowerment, Resilience and Respect.

Our core values are the principles we live by every day. They shape our behaviour, our relationships, and our expectations of one another.

Challenge: Striving to do the very best individually and collectively. We set high expectations and support each other to achieve them, knowing that growth comes from effort and perseverance.

Empowerment: Developing the knowledge and skills to make responsible and sound decisions as an individual or as a team member and having the discipline and courage to take the necessary action. We encourage students to be active participants in their learning and to take ownership of their choices.

Resilience: Persisting with the task, re-evaluating strategies and making progress. We support our students to face challenges with determination, to bounce back from setbacks, and to develop the confidence to keep moving forward.

Respect: Respecting the rights and contribution of every individual and acknowledging responsibilities to support one another. We promote a safe, inclusive, and caring environment where diversity is valued, and every voice is heard.
