Dear Parent/Guardian,

Euroa Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Your contributions have assisted us to obtain the resources and offer the programs required to provide varied and high-quality educational opportunities to your student/s.

We look forward to your continued support of Euroa Secondary College in 2025.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.
