

## **Yard Duty and Supervision – Secondary Schools**

### **PURPOSE**

The purpose of this policy is to explain to staff Euroa Secondary College's yard duty procedures and expectations for the appropriate supervision of secondary students. Appropriate supervision is an important strategy to monitor student behaviour, and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

### **OBJECTIVE**

To ensure that school staff understand their supervision and yard duty responsibilities.

### **SCOPE**

The principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Euroa Secondary College, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

### **POLICY**

#### **Before and after school**

Euroa Secondary College grounds are supervised by school staff from 8.45am until 3.35pm. Outside of these hours, school staff will not be available to supervise students. Before school, staff supervise the bus drop off area and Areas A, B and C. After school staff supervise the bus pick up area.

Students who may wish to attend school outside of these hours are encouraged to report to Homework Club for English and Mathematics.

#### **Yard duty**

All teaching staff at Euroa Secondary College are expected to assist with yard duty supervision and will be included in the weekly roster.

The nominee of the Principal, the timetabler, is responsible for preparing and communicating the yard duty roster on a regular basis. At Euroa Secondary College, teaching staff will be designated a specific yard duty area to supervise. The Daily Organiser is responsible for organising teachers to cover yard duty of those teachers who are absent.
